PROFESSIONAL EXPERIENCE

Coder Foundry, Web Software Engineer
Remote · September 2020 – December 2020

- Created three primary projects, including:
  1. A portfolio and blog site using C#, MVC, HTML5, CSS3, Bootstrap, JS & jQuery.
  2. A Financial Portal implemented in two phases. Phase 1: an MVC Web Application, Phase 2: a Web Service that utilizes Swagger and Swashbuckle for integrated testing.
  3. Fully designed and developed a multi-functional issue tracker web application, implementing enhanced roles & security, including a Code-First relational database designed and modeled in PostgreSQL. Technologies used include: .Net Core v3.1, MVC6, C#, LINQ, PostgreSQL, Entity Framework, Docker, PgAdmin, Heroku and jQuery DataTables.

Harris Teeter Distribution Center, Forklift Operator
June 2016 – September 2019

- Safely operated and navigated forklifts.
- Performed routine preventive and safety checks on large equipment, notifying the appropriate contact regarding possible mechanical or hazardous issues.
- Followed written and verbal instructions to locate merchandise based on unique item and pallet numbers.
- Responsible for maintaining a clean and safe work environment for all center employees.

Harris Teeter Distribution Center, Loader & Sanitation Worker
March 2012 - June 2018

- Safely operated and navigated large equipment.
- Accurately scanned and tracked pallets as they are loaded into the distribution truck.
- Responsible for loading trucks safely and efficiently, ensuring safety precautions are observed.
- Responsible for maintaining accurate paperwork regarding all merchandise loaded for distribution.
